SUMMER ADVENTURE CAMP AT BOVAY SCOUT RANCH
 Pack 957 Reservation Form 2009

**Full Brochure can be downloaded from our website, www.pack957.org – choose Summer camps!

NEW THIS YEAR: SEPARATE SESSIONS FOR CUB SCOUTS AND FOR WEBELOS
Cub Scout Sessions: for current Tigers and Wolves who will be attending as Wolves and Bears
Webelos Sessions: for current Bear and Webelos 1 who will be attending as Webelos

There are 4 sessions offered – 2 for cubs and 2 for webelos. For the Webelos, we will have at least one leader committed to go at this time for each session. For the Cubs, we have one leader committed to the first session only. If possible, choose a session with a leader already committed.

There are plenty of activities to keep the boys busy. Activities include: a water park swimming pool, canoeing, paddleboats, climbing wall, BMX cycling, archery, riflery, nature, dinosaur dig, and a gold mine. All meals are provided in an air-conditioned dining hall. Tents are set-up on concrete pads and cots are available for rent (\$5).

A full list of belt loops and Webelos Activity badges can be found in the brochure.

Although the final date reservation can be sent is in June, in order to hold a spot for the pack dates, we need to send our reservations in by middle of May. Please provide the bottom portion of this sheet to your Den Leader by May 1st. ***The Den Leader will forward all forms to the coordinator (Amr Abouleish, aaboule@utmb.edu) at the May 3, 2006 Leaders Meeting.***
