

New Camp Schedule

2009 brings a new twist to the camp schedule. Packs will arrive at camp at 2:00 p.m. on Day 1 of their session and depart at 11:00 a.m. of Day 4. You will receive a full 72 hours of fun and adventure while at Bovay Scout Ranch.

The new format will give scouts more activity sessions and more time to fully explore the camp and all it has to offer.

There will be an opening and closing campfire, special evening activities, plenty of free time for relaxing at the pool, shopping at Trader Vic's or just exploring the camp. Other special events are being planned to round out your summer camp adventure.

Separate Sessions for Cubs and Webelos

In 2009 we will offer separate sessions for Cubs and Webelos.

Sessions Alpha and Beta will be Webelos only.

Sessions Charlie and Delta will be for Cubs only.

Offering separate sessions will allow our staff to provide better sessions and concentrate on specific instruction and activity that is appropriate for the age level of the boys.

Texas Badge

In keeping with the theme, Cubs and Webelos will have the opportunity to earn their Texas Badge while at camp. Sessions will include instruction, information and activity to complete the requirements for the badge. The forms will

be available at camp for you to fill out as requirements are completed. Each pack will be responsible for awarding the badge to each scout who earns it. Badges can be purchased at the council office.

You Asked for It

One of the most requested elements of camp in years past has been more opportunity for advancements. Sessions will be planned to help both Cubs and Webelos to complete some of their requirements for activity badges or achievements. Each instructor will provide that information to parents and boys at their sessions. It will continue to be the

responsibility of the parent or leader to sign off on the completion for their boys.

While advancement is not the primary goal of cub scout camping, we are happy to offer this new emphasis to our program.

A complete list will be available at camp.

Camp Fees

The camp fees for 2009 are as follows:

Cubs. \$110
Webelos. \$110
Adults. \$55

Cot rentals. \$5.00

Please order and pay for cots at the time of registration. Additional cots will be available for purchase at camp if extras are needed.

There is NO additional fee for Webelos rocket kits. These are included in the registration fee for Webelos
